Dear Tambi Parents

We have once again come to the end of yet another challenging term this year. School attendance improved with only a few learners still needing to complete assessments due to illness. The Education Department shifted the focus to “project based” learning which meant that the learners had to complete more projects this term as part of their continuous assessments.

I would like to thank everybody in the Tambi team for their hard work and dedication during the past term. From the maintenance staff, the aftercare staff, office staff, teaching staff and the SGB staff. Everybody works incredibly hard on a daily basis to keep our learners as safe as we possibly can, while also providing conditions that are conducive to learning.

A big thank you to all our parents for paying school fees and aftercare fees regularly. This assists us in running the school effectively. Thank you also to those parents who were in arrears with fees and made arrangements with the school to pay off their debt. Every little bit helps at the end of the day.

Thank you Miss. Bester

Miss. Bester is unfortunately leaving Tambi at the end of the term. We would like to thank Miss. Bester for everything that she has done for Tambi during the past couple of years and wish her well in her future endeavours. Miss. S. Rose has been in the Gr 6B class for the past few weeks to familiarise herself with the learners and to ensure a smooth handing over process to minimise disruptions to the learners.

Our time table next term is jam packed and we have no time to waste at all as it is our final push to get our learners to pass their respective grades. A collaboration between learners, parents and the school will be essential, now

more than ever, to assist our learners to achieve the best possible results of which they are capable of.

Provisional Times (Subject to change).

PLEASE NOTE THE CHANGE OF DATE FOR GR3 and GR6

20 OCTOBER

The Gr3 and Gr6 Systemic testing is still going ahead this year.
