Principal's report
Lockdown 2021
The new chapter
Term 1

18 January 2021

Dearest Tambi family.

The uncertainty of 2021

Compliments of the season to our Tambi family. Some of the uncertainty of 2020 unfortunately spilled over into 2021 as well. Most certainly you as the parents are just as anxious as the teaching corps because of the uncertainty and fears due to the COVID-19 pandemic.

Schools are dependent on information from the National Department of Education as influenced by the Command Council.

As you already know, the reopening of schools has been rescheduled as follows:

Date:	Return group:
25 January 2021	School Management Team, Office and Maintenance staff.
01 February 2021	Educators plus Aftercare staff
15 February 2021	Blue group (as per class lists)
22 February 2021	Yellow group (as per class lists)

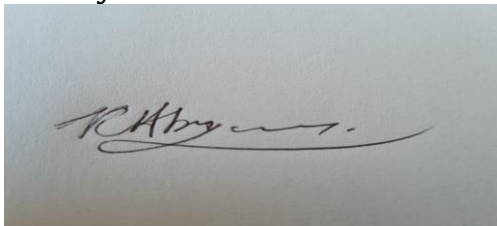

Please note that these dates are subject to change should DBE and WCED change the regulations.

During the coming week, more clarity should be available to make known to you. Learners are already placed in classes and divided into the two different colour groups, as was the situation last year. We would also have more clarity with regards to concessions during the coming week. You will be informed in this regard as soon as it becomes available.

Please note that aftercare will also start when school starts.
It is important to note that schools and education will not be the same as it used to be.
You will receive information from the school over time.

With empathy and understanding.
Yours faithfully
